

SWEETS BINGO

The goal of this game is to cover four squares in a vertical, horizontal, or diagonal row.

1. Print the first page once on cardstock. Cut out the cards.
2. Print the remaining pages on cardstock - one for each player.

How to Play

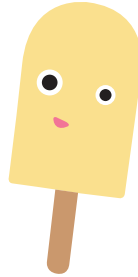

1. Stack the cards face down or throw in a bag or box.
2. Select a card.
3. Each player places a coin over the image shown on the card.
4. Keep selecting cards until you line up four coins in a row. If you do, shout "bingo" to win the game.
